Arrival

Students will meet Mrs Burgess on the concrete near the grassed area adjacent to the main presentation area at **4:45 am**, where they will have their names roll marked on arrival. Students are required to be in position for the choir for the start of the service and will not be able to march.

Departure

Students will remain in their performance positions at conclusion of the performance. We ask parents to please collect their own children from this spot. Your child will need to have their name marked off the roll by Mrs Burgess before departing. As we have a large number of students performing, we appreciate your patience when collecting your child so that all students can be picked up safely. Any variations to departure need to be addressed to the school in writing prior to the event.

Other Information

The main roads into Terrigal will be closed at 4:30 am. The march is due to start at 5:15 am and service is due to start at 5:00 am. The choir will perform two songs – one at the start of the program and one at the end of the program. In the event of wet weather, the service will still go ahead. Students may wear a clear rain poncho if it is raining. No umbrellas please. The service will go for approximately one hour.
