

Dear Parents and Carers,

We know our students are amazing, so we're giving them the opportunity to showcase and celebrate their talents in the world-renowned ICAS competition this year.

What is ICAS?

ICAS is an online academic competition that gives students the opportunity to challenge their higher order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling Bee, and Digital Technologies.

Every student who participates is celebrated and recognised with a printed certificate in each subject area, and an online results report to track development each year. Top performers are eligible for one of the highly coveted ICAS medals.

The tests will be held before school in the Wamberal Public School library. Students will meet the teacher outside the **front office gates at 8:00 am**.
