## First Day of Kindergarten 2024

Dear parents and carers,

We look forward to seeing the excited faces of the Kindergarten students starting school on Monday 5 February.

On the day, families are asked to come to the basketball court via Lea Avenue to meet their child's Kindergarten teacher at 9:30am. Together, we will walk to the classroom.

Families will spend a short time in the classroom before making their way to the canteen for a P and C gift.

Regular school arrival (anytime from 9am onwards) will commence on Tuesday 6 February. Students will arrive at school, place their bag in the Kindergarten assembly area and play with friends until classes start at 9:30am. Staff will be available if students need additional support.

At 2:45pm families have the option to collect their child from the Kinder classrooms, entry will be from Lea Avenue. The optional earlier pick up is available for the first week of Kindergarten. Student supervision until 3:30pm continues for children who are going home with siblings, by bus or to the Y after school care. As of Week 3, starting 12<sup>th</sup> February, all students will finish at 3:30pm.

Please complete the attached 'Departure Arrangements Form' and bring along to school on your child's first day to give to the class teacher.

Kind regards,

The Early Stage 1 (Kindergarten) Team
