Learning & Support Team

The Role of The Learning and Support Team

The school learning and support team plays a key role in coordinating and planning support for students with disability and additional learning needs.

Our Learning and Support Team is a group of professionals that meet each fortnight to discuss specific strategies to assist students requiring additional support in areas of learning and behaviour. The Learning and Support Team coordinates the development, implementation, monitoring and evaluation of learning support plans. The team consists of the Deputy Principal who is also the LST Coordinator, School Counsellor, Learning and Support Teacher and when relevant classroom teachers.

Process of Referral to the Learning and Support Team

Students requiring additional support at school may be identified by teachers and/or parents. Through teacher and parent consultation these students may be referred to the school's Learning and Support Team. This team then discusses the most appropriate form of support and intervention for the student and communicates this outcome to parents/carers. In these cases, written permission will be sought from parents and carers and the LST will liaise with outside service providers, as required.

More Information

The screenshot shows the NSW Government website for Education. The top navigation bar includes 'Select language', a search icon, and a user profile icon. The main menu lists categories like 'Early childhood education', 'Public schools', 'Teaching and learning', 'Student wellbeing', 'Skills NSW', 'Parents and carers', 'Policy library', and 'Teach NSW'. The 'Parents and carers' section is active, with a search bar and a list of sub-topics: 'Information you need to give your school', 'Ways to get involved with your school community', 'Budgeting for school costs', 'Activities to prepare your child for primary school', and 'Getting your child ready for literacy learning in primary school'. The main content area is titled 'Kindergarten and preschool orientation and transition' and includes a paragraph: 'An orientation visit helps children and families familiarise themselves with their new school and staff and helps to form first connections with their school community prior to starting school.' Below this, it states: 'In 2022 schools will follow current department advice - informed by NSW Health - when planning their COVID-safe orientation approach.' A 'On this page' section lists 'Orientation visits to school' and 'Remote orientation' with arrows pointing to the right.

The Wamberal Public School logo is a circular crest with a blue background, a white swan, and the text 'WAMBERAL PUBLIC SCHOOL' around the perimeter. To the right is a navigation menu with links: 'About Our School', 'Supporting Our Students', 'Learning At Our School', 'Wamberal History', 'Technology', 'Notes And Forms', 'News', and 'Contact Us' with a search icon.

The page title is 'Kindergarten 2024'. Below the title is a breadcrumb trail: 'Home / About our school / Enrolment / Kindergarten 2024'. A sidebar on the left contains a list of links: 'Enrolment', 'Zone Map', 'Transition to Kindergarten', 'Kindergarten Enrolment Pack', and 'Kindergarten 2024'. The main content area starts with 'Dear parents and carers,' followed by a paragraph: 'Please find below links for information regarding your child commencing Kindergarten in 2024. We will continue to keep this news site updated with new information during your child's transition to school.' Below this is a list of links: 'WPS Transition to Kindergarten 2024 Flyer', 'General Information - Flexischools and Skoolbag', 'School Uniform Requirements', 'The Y Before and After School Care', and 'Red Bus Service' with an external link icon.
