Additional Creative Arts, Sport and Cross-Curricular Activities

2025

Wamberal Public School offers a wide range of additional activities and programs for interested students, some of which require a commitment outside of regular class hours. This booklet outlines some of the key programs available in 2025, to enable students and their families to discuss and make informed choices.

Please note: This information is correct as of February 2025, however is subject to change. Other programs may become available throughout the year.

This guide is largely for primary students due to the grade or age limits set by external organisations for many of the competitions and performances, however it also includes a range of opportunities for students in other grades to enjoy. Further details are available on our school website – see [Student Participation and Leadership Guide](#).

Band Program

Wamberal PS supports a comprehensive and graded band program, involving rehearsals and lessons both in and out of school hours. Students learn an instrument from a qualified tutor and play in one of two school bands that make an important contribution to school life. Instruments can be hired from the school. Activities include major venue performances and band camp (usually held on Staff Development Days). Enquiries about requirements and entry points are always welcome.
