Privacy Advice

The NSW Department of Education is collecting the information requested on this form. The information is being obtained for the purpose of ascertaining relevant medical information, requirements and other health care related needs about your child who is currently enrolled at the school and who may participate in school excursions, sporting activities or other educational or school activities conducted by or in conjunction with your child's school.

The school will use this information to plan, support students, and minimise risks when conducting the school excursions or other related school activities.

Other persons or agencies that may be provided with this information include, but are not limited to, volunteers and members of external organisations who join with the school or are otherwise involved in planning or delivering the excursion, sporting or other school activity; and persons that may be called on to provide health care treatment or other assistance during or as a consequence of such excursions or activities.

Provision of this information is voluntary, however, if you do not provide all or any of the information requested, your child cannot participate in the excursion. In such circumstances, the school will make available a sound alternative educational experience.

Provision of this information will significantly assist the school in planning a safer educational activity. It will be stored securely. If you have any concerns about provision of this information, please contact the school principal to discuss further.

You may correct any personal information provided at any time by contacting your child's school.

In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's public liability cover is fault-based and limited to breaches by the department of its duty of care to students that may result in claims for compensation.

Parents and carers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, school sport zone, region and state school sport associations when deciding whether additional insurance cover is required prior to their child's involvement in the program. Personal accident insurance cover is available through normal retail insurance outlets.

Parents who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements as considered appropriate.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body. The Supplementary Scheme does not cover medical expenses or dental costs. Further information can be obtained from: (<https://www.icare.nsw.gov.au/injured-or-ill-people/sporting-injuries/payments/>)<https://www.icare.nsw.gov.au/injured-or-ill-people/sporting-injuries/payments/> (<https://www.icare.nsw.gov.au/injured-or-ill-people/sporting-injuries/payments/>)

Concussion Clearance

The Australian Medical Association recommends students being symptom free of concussion for 14 days before returning to sport.

- If your child/ward sustains a concussion, or experiences any concussion symptoms, in the 14 day period prior to the event commencing, you must report this to team officials, and a medical clearance is required in order for your child/ward to participate in the event.

Medical clearances can be attached to this consent form or can be submitted to team officials separately.
