

📌 Online Form - Stage 3 Rocks Excursion

Activity Name:	Stage 3 Rocks Excursion
Date/Time:	Monday 13 May 2024 8:00am - 4:00pm
Description:	Students will walk in the footsteps and learn the cautionary tales of real colonial settlers diving deep into the secret laneways, buildings and historical sites of The Rocks. On this exciting, hands-on excursion, students will experience life as a convict in the setting where colonial Australia began. Students will learn the Indigenous history and names for the enclaves around The Rocks, explaining the struggles for rights and freedoms in Australia including Aboriginal and Torres Strait Island peoples. The evidence before their very eyes will demonstrate how we know about the lives of people from our colonial past, and they'll observe artefacts and sites which describe Australia's journey to become a nation. Students will learn about the lives of real people from Australia's colonial past, discover how Australian society changed throughout the twentieth century and examine the everyday life of a variety of men and women who lived in post-1800 colonial settlements, including those who emigrated in waves from Asia and Europe.

Privacy Note: The information provided below is being obtained for the purpose of ascertaining relevant medical information, requirements and other health care related needs about the student who is currently enrolled at the school and who may participate in school excursions, sporting activities or other educational or school activities conducted by or in conjunction with Wamberal Public School.

It will be used by officers of the NSW Department of Education to assist planning, to support students, and to minimise risks when conducting school excursions, sporting or other school activities.

Other persons or agencies that may be provided with this information include, but are not limited to, volunteers and members of external organisations who join with the school or are otherwise involved in the planning or delivery of the excursion, sporting or other school activity; and persons that may be called upon to provide health care treatment or other assistance during or as a consequence of such excursions or activities.

Provision of this information is not required by law. However, a failure to provide the information may mean that your child can not participate in a particular excursion or school activity. In such circumstances the school will make available a sound alternative educational experience.

Provision of this information will significantly assist the school in planning a safer educational activity. It will be stored securely. If you have any concerns about provision of this information, please contact the school principal to discuss further.

You may correct any personal information provided at any time by contacting the school office.

Health Care Needs

When a medical practitioner has prescribed medication (including emergency medication) that will need to be administered during the event, parents are responsible for:

- bringing this need to the attention of the school, including completing a written request to administer medication (forms are available on the school website);
- ensuring that the information is updated if it changes;
- supplying the medication and any 'consumables' necessary for its administration in a timely way;
- ensuring the medication is well within its expiry date; and
- collaborating with the school in working out arrangement for the supply and administration of the prescribed medication for the duration of the event.

For some events, the school will ask parents to supply the medication in a different way to what has already been agreed by the school. For example, parents may be asked to supply an additional adrenaline autoinjector (i.e. *EpiPen*® / *Anapen*®).

For asthma and anaphylaxis it is important for students to have immediate access to their medication. Please consider whether your child should carry their own *EpiPen*®, *Anapen*® or asthma reliever medication while at school. Permissions for students to carry their own asthma or anaphylaxis medication can be downloaded from the school website.
