### Class Equipment Requirements

**Please ensure all equipment is refreshed and marked with your child's name.** We thank you for your assistance in preparing your child for their lessons.

### Homework

Students in Stage 3 will continue to be provided with weekly maths homework that reflects classroom learning on a weekly basis. Students will also participate in inquiry learning throughout Term 4 on the topic 'Natural Disasters'. Students will be required to complete some of these tasks at home. Please see information sent out via Audiri (formerly Skoolbag) and notes sent home throughout the term.

### Payments

Our school has implemented the **School Bytes** system to manage payments. Parents/carers can visit the [School Bytes portal](#) at any time to make a payment online, view payment history and apply credit.

### Parent and Carer Helpers

Parent and carer helpers play varied and valued roles within our school including helping in classrooms, class enrichment programs, excursion and event support, resource management, library support, and canteen and P&C roles. Our school website provides information about parent and volunteer helpers. All parent and volunteer helpers are to attend a *Parent and Volunteer Information Session* or complete an induction course online.
