Dear parents/carers,

To enrol your child in Year 7 for 2024, you will need to complete an Expression of Interest for Year 6 to Year 7 transition. The Expression of Interest (EOI) lets you indicate which school(s) you would like your child to attend in Year 7 – the school you are zoned for or an alternate public school.

The EOI process is now available online via the school website under the '[Enrolment](#)' tab. After you submit an EOI and it has been assessed, your child will be offered a place at a high school.

If your child will not be attending a NSW Government high school next year, please let us know by completing the Placement Not Required form which is also available online via the school website enrolment tab.

If you are unsure whether they will be attending a NSW Government school (for example, you have applied for a non government school or you are moving interstate), we ask that you still complete an EOI and follow up with your school once a decision has been made.

The online process will guide you through your options and collect the information required to make the process as smooth as possible.

For parents/carers who are not able to complete an application online, a paper EOI form can be collected from the school office.

For further information please contact the school office.

Kind regards
