WPS P&C Membership Form

Welcome to Wamberal Public School (WPS), where we strive to encourage our students to develop a responsibility for their own behaviour and learning. We believe that students have a right to be safe and happy at school and have the right to expect courtesy, fairness, respect and excellence in teaching. At WPS P&C we support our school and are committed to parents and carers being partners in the education process. We represent the voice of parents through monthly meetings and open communication.

What does P&C do?

Many new parents might wonder what the role of the P&C is with respect to our school. Well, basically the P&C is there to:

- ❖ Promote the interest of the school by bringing parents, citizens, students, and teaching staff into close co-operation
- ❖ Assist in providing facilities and equipment for the school and promoting the recreation and welfare of the students at the school
- ❖ Encourage parent and community participation in curriculum and other education issues in schools.

As a P&C we are a very inclusive organisation, and we are always keen to hear from parents who wish to help in all things school related, from school beautification projects, to fundraising events, to just volunteering to help out where required. In addition to our monthly Monday night meetings, we will also be holding several other gatherings for those who might not be able to get to the regular meetings. So, feel free to put your hand up at any time, or even just contact us if you have any questions.

When does P&C meet?

When: General meetings are the third Monday of each month
(no meetings are held during school holidays)

Time: 7:00 p.m. to 8:30 p.m., most meetings are held in the School Library
